What our families are saying...

“How did (our grandson) know what God’s way was? It was the nine years of daily exposure to the people at C.C.S. that **lived Jesus** in front of him. From the custodians, teachers, aids, office employees, coaches, students, and administration came the same message. “God loves you, we love you and you are important to God and to us. We love you just as you are and see you like Jesus sees you...as He wants you to be. We aren’t perfect, but we are trying to follow Jesus and want you to come along with us.”

I cannot find adequate words to express how thankful Salli and I are for each of you at Crossroads. Once Robbie was lost but now he is found, was blind but now he sees! Because of your words, deeds and prayers for him, his name is written in the Lambs Book of Life!!!! WOW!

“Placing our children in your care has been such a blessing and witness to our entire family of the Lord’s mercy. The academics are challenging yet fun for the kids and the growth we see in the boys spiritually and socially make us very confident in our choice of schools. Extended family often tell us how advanced our children’s reading, communication and math skills are for their age. We wish to thank you for the caring and compassionate Teachers and Staff Members that create the amazing CCS Team.”

Kindest Regards,

“Our daughter has attended Crossroads for four years. After choosing this school for her education we have been so thrilled with the growth we have witnessed in her life. We have seen incredible strides in the academic, social and spiritual aspects of her life. We credit this achievement to the skill and devotion of the teachers and staff at the school. The combination of a well managed classroom environment and quality, individual instruction has been, and continues to be, instrumental in helping us raise her into the spiritually mature, well educated young woman we desire her to become.”
