DAILY PRACTICE

BREAD

When we read through Scripture, we want to go at a pace that allows it to read us. Below is a simple acronym that will help guide our time as we read Scripture and seek to live it out. Each day we will follow the pattern of BREAD:

B Be Still

Find a space where you can be quiet before God. Before you even begin reading, ask the Holy Spirit to guide your time and be still before God.

R Read

Read through the passage for the day. As you read, pay attention to what stands out and write out one verse that grabs your attention.

E Encounter

Read through the verse that you have written out and reflect on it, meditate on it, chew on it, and wrestle with it. What do you think God is trying to reveal to you? Allow Him to speak to your heart and mind. Write a short reflection of what God may be saying to you.

A Apply

Ask yourself how you might apply what you have read to your day. Write down how you will try to live this out.

D Devote

Close by writing a simple prayer of devotion to God. Ask Him to guide you and fill you as you live for Him.

Reading Plan

We are using a 5-day reading plan that gives you two options. The first will lead you through the entire Bible in one year. This plan is set up to take you chronologically through the Old Testament readings and provide a New Testament reading each day. The second track will allow you to read through the entire New Testament in one year.

Title: Embracing the Warmth of the Sun

Be Still

Read Psalm 19:6 "(the sun) rises at one end of the heavens and makes its circuit to the other, nothing is deprived of its warmth."

Encounter The Glory of God is revealed in the sun, our source of light. But Jesus said "I am the light of the world." In him, the people walking in darkness have a great light. This is a promise that no one need be deprived of his warmth. So step out of the shadows, into the light, and be drenched in the warmth of his love.

Apply What does it look like the step outside of the shadows? It means to come towards Jesus, the light, and enjoy his warmth. Enjoy the beauty of his creation. Walk in green spaces, kick some leaves, and pause every so often to spiritually turn your gaze heavenwards to thank God for his beauty, and connect to the love that gave birth to such beauty.

Devote Father, I devote this day to you. Invade my heart with the warmth of your Son. Amen.
